

Clarkson SWE started off the semester great with our annual S'mores Event, we had a total of 60 new and current members attend! Clarkson's Annual Career Fair had everyone busy within the first two weeks of school, SWE got a bunch of professional development in.

Career Fair Mixer

The Career Fair Mixer kicked off our events for this Fall semester! We had 6 companies join us for this event. It was a great way to get our new members connected with companies in a casual setting. This event was held before the Career Fair to help our members get their foot in the door.

S'mores Event

We held our annual S'mores event within the first two weeks of the semester. We saw a lot of new faces at this event and got to talk to new freshmen about SWE. This event was a good stress relief from the pressure of Career Fair!

Car Wash Fundraiser

The first fundraiser of the semester was a new event for SWE. We held a car wash at the local Stewart's. This fundraiser was a great one for SWE, it was a beautiful day. Our SWE members washed a total of 17 cars. The materials were all donated for the most part which allowed for a good profit margin for SWE!

Tie Dye Event

As a bonding activity with our new members we held a tie dye event. Being resourceful, the members were able to buy our white SWE Can Do It Shirts and tie dye those. This was a great event for our new and current members to get to know each other. We had almost 30 members attend this event.

General Body Meeting

This kicked off our first official general body meeting of the semester. We started by talking about SWE and how to sign up as a national member. We also got our new members involved by doing a scavenger hunt for committees. Our new members were prompted with clues that led them to a committee chair. Once they found their committee chair they were able to sign up for that committee if they wanted to! It was a great way to get the members active and work off all that pizza! We also announced our new Freshmen Representative at this meeting.

Open House

This was the first open house of the semester, there is another one scheduled for November 9th. SWE participated in the activities fair, we saw a lot of prospective students that were interested in SWE. We did a t-shirt raffle with any prospective students that wanted to learn more about SWE! We are hoping to see even more students in November!
