Clarkson SWE had a very busy February! It was jam packed with wonderful events, we can’t wait to keep this momentum going in March. We were able to hit each of the required categories for the annual SWE Conference so members could begin to gather points.

Chocolate Covered Strawberries Fundraiser
This year Clarkson SWE decided to try something new and do a chocolate covered strawberries fundraiser the week of Valentine’s day! This fundraiser was a huge success! SWE sold out of supplies by the second day, everyone loved the strawberries. SWE will definitely be doing another chocolate covered strawberries fundraiser in the future!

North Country Children’s Museum
Clarkson SWE has always loved volunteering at the North Country Children’s museum! It’s great being able to teach the kids of the community about the importance of STEM. This time Clarkson SWE made slime with the kids to teach them about the scientific method. This was an amazing event and the kids loved making slime.

Galentines Day GBM
The Galentines Day GBM was a good event to help our active members unwind and have a little bit of fun. At this GBM, the SWE members made scrunchies! We had a great turn out for this event and hope we can even start a fundraiser with the terrific scrunchies that were made.

Diversity and Inclusion Around the World
SWE participated in the annual Around the World event during Diversity week! SWE put together a eye-catching display of the history of SWE at Clarkson. This was a great opportunity for our members to be able to see how our section was formed. It also gave SWE the chance to collaborate with the D&I office, as well as other professional societies.

Lockheed Martin Info Session
As part of our Corporate Sponsorship program the sponsors are able to come to campus and educate our members about their companies. The first company to do an info session was Lockheed Martin! This was a great way to network with the company!

Paint and Sip GBM
Another new GBM of February was the Paint and Sip, this was a great de-stresser event. The SWE members were able to bond over our artistic abilities! We hope to do a similar event in the future.

Thank you for supporting Clarkson SWE throughout the years. We truly appreciate it. If you would like to give us feedback or share your experiences at Clarkson do not hesitate to contact us! Subscribe to our monthly newsletters by emailing swe@clarkson.edu, with subject line “Newsletter Subscription.”
