

Clarkson SWE had a busy March! We welcomed our new 2021 board of directors to their first full month of duty! You can check out their bios and information on the Officers tab of the Clarkson SWE website. We held a plethora of virtual events this month and look forward to the North Country Spring so we can start to hold more events outside in a safe manner!

Family Feud General Body Meeting

General Body Members gathered on Zoom to play a fun Family Feud Game with one another. It was a fun and stress free way to end the weekend as we prepared for our next week of classes and exams.

SWE and Ignite Speaker Series: Dr. Jayshree Seth

Dr. Jayshree Seth, a Clarkson SWE alumna, recently wrote the book The Heart of Science: Engineering Footprints, Fingerprints, & Imprints. She hosted a talk and a Q&A session for Clarkson students. We were able to provide her book to all Clarkson SWE members that were interested. We thank her for sharing her experiences with the Clarkson community.

Women in Engineering: A Conversation with Irene Hodor

Clarkson-grad Irene Hodor currently works for Exxon-Mobil and has had experiences nationally and internationally with being a woman in engineering. Irene was so kind to share her story with us and answer questions about her company and life experiences.

Picture a Scientist Documentary Showing and Giveaway

The Clarkson Society of Women Engineers supported a virtual screening of the documentary Picture a Scientist which details the experiences of three women scientists and the systemic biases in STEM fields. This showing was a part of the 2021 Virtual Film Series at Clarkson which had over 600 registrations and participants. Clarkson SWE handed out movie watching goodies and information pamphlets to interested members. We were happy to do our part to raise awareness about the ever present inequalities in STEM.

Renewal House Donation Collection

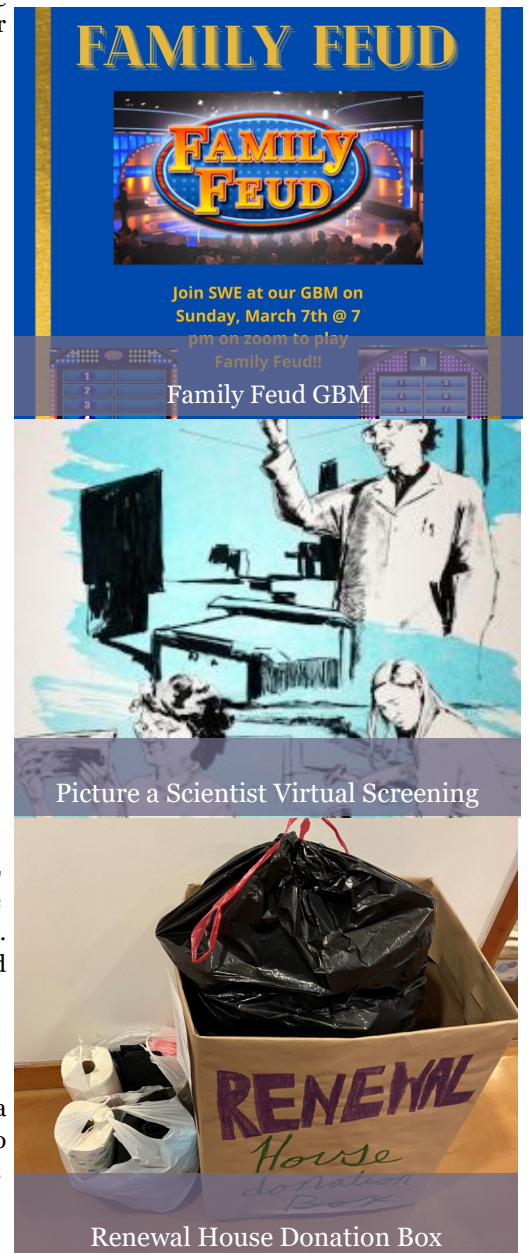

In preparation and recognition of April's Sexual Assault Awareness, Clarkson SWE accepted donations for Potsdam Renewal House the week of March 29th. The Renewal House is an amazing resource for victims of domestic violence in St. Laurence County to be able to find a safe place to go and empower victims. We had two locations collected a lot of great supplies for a good cause!

Spring Raffle Fundraiser

In this months virtual fundraiser, Clarkson SWE raffled off a Kindle Fire HD 8 and a \$100 Clarkson Gift Basket! It was very successful and we thank all of those who participated and spread the word! Keep an eye out for more fun fundraisers like this in the future!
