COVID-19 Announcement
Due to the COVID-19 outbreak in New York, all classes will be moved online starting after Spring Break and all university related travel has been cancelled. Since students are not required to come back to campus after break, SWE will be cancelling all upcoming events until further notice. SWE will be looking into doing online events, but they will take a couple of weeks to plan. We will keep you all updated with a bi-weekly newsletter.

Annual Conference Points
The conference points requirement has been cut in half due to the COVID-19 outbreak. The new requirements are shown below:

- 1 Membership
- 1 Professional Development
- 1 Fundraising
- 1 Outreach
- 1 of your choice

The new deadline for points for the WE20 conference is THIS FRIDAY (04/03). If you have any questions, contact Kathryn Konopko or Paige Fronczak.

VIRTUAL GENERAL BODY MEETING
APRIL 1ST FROM 6:30PM-7:30PM ON ZOOM

Hi everyone! To ease the stress of planning classes alone at home, we are planning an online enrollment general body meeting! Hope will start the event with a Zoom meeting for everyone to show how to access your shopping cart and your enrollment date. To access the meeting, click here. We will then break into separate Zoom meetings for individual engineering majors, including Chemical, Civil, Computer Science/Software, Mechanical, Electrical, and E&M. On Wednesday, an email will go out with the links to the individual zoom meetings, so keep a look out!

Having some trouble figuring out how to use Zoom? No worries! SWE will be hosting a Zoom information session on zoom at 8pm on Thursday, April 2nd. The link to join this meeting is here. This session will include how to use Zoom; whether you’re joining a group meeting or hosting your own. This is the last professional development point opportunity for any girls interested in going to the SWE Annual Conference in November. If you have an exam during this session that prevents you from attending, but you need the point for conference, please email Kathryn Konopko at: konopkkm@clarkson.edu.
