UPCOMING EVENTS

ENVIRONMENTAL OUTREACH EVENT

SEPTEMBER 10-12th OUTSIDE

If you want to get out of your room this weekend with your family unit and enjoy the nice weather, consider doing this Environmental Outreach Event! Grab some plastic/trash bags and head outside to pick up some trash while getting some fresh air. Pictures of the Clarkson Trails and the Munter Trail in Potsdam shown below and to the side! They are two hiking options. Be sure to dispose of the trash in the correct receptacles. Casella's recycling tips can be found [here](#).

If you send a picture of you picking up trash while enjoying a hike to swe@clarkson.edu, you (and your family unit) will receive an outreach point! In the email, be sure to include the LAST AND FIRST names of each participating member in the picture and if your group consents to the picture being posed on Clarkson SWE's Instagram story.

This organization values the connections that we build within our environment. Have some socially distant fun and enjoy the nice weather while it lasts. If you have any questions or need more information on trails, feel free to reach out to Carolyn Shultes at shulteca@clarkson.edu or swe@clarkson.edu! Have fun!

Outreach

A detailed map of Clarkson Woods with various trails highlighted in different colors. The map includes a scale bar from 0 to 0.5 miles and a 'KEY' section.
